Work Experience

Wipro Technologies | Project Engineer

Nov'2021 - Till Now

- As a Test Engineer, my responsibilities encompassed designing and executing meticulous test plans, conducting thorough test case analysis, identifying software defects, collaborating closely with development teams to ensure timely issue resolution, and implementing automated testing frameworks to enhance efficiency and product quality.
- Worked on JIRA(A bug tracking tool)

Skills

Programming Languages - Python(Proficient) | Java | Basics of C & C++ | JavaScript (Intermediate)

OS - Linux | Window

Database and language - MySQL | SQL

Version Control Tools and IDE - Git | Github | VS Code

Frameworks - Django | RestAPI

FrontEnd Developme | AWS | OPPS | Problem Solving | Selenium | Selenium WebDriver | Test Automation | Test Planning | Application Testing

Soft Skills - Collaboration | Communication | Teamwork | Time Management

Projects

E-commerce Web Application

Django, RestAPI, Python, React, Material UI

- The E-commerce Web App with Django project aims to develop a robust and user-friendly online shopping platform that enables users to browse, search, select, and purchase products with ease.
- User Authentication, Product Catalog, Shopping Cart & Checkout, Payment Gateway, Responsive Design

News Website

Python, Django, News API, HTML, CSS, JavaScript

- The Django News Aggregator Project is a web application that allows users to conveniently access and stay updated with the latest news articles from various sources.
- This project integrates the power of Django, a high-level Python web framework, with the News API, enabling real-time retrieval and display of news content.

Education

Dr. A.P.J Abdul Kalam Technical University, Lucknow U.P (currently AKTU), India

2017 - 2021

- Computer Science Engineering | CGPA: **8.1**

Bhagwati Inter College Nawabganj Bareilly (UP), India

2016 - 2017

- UP Board (Class XII), Aggregate: 90%

Bhagwati Inter College Nawabganj Bareilly (UP), India

2014 - 2015

- UP Board (Class X), Aggregate: 89.67%

Certificates

- Data Structure & Algorithm Using Python From NPTEL, India
- AWS Cloud Practitioner Certificate
- Python Programming Certificate
- HTML, CSS & JavaScript Certificate

Achievements

HackerRank

- Three star rating in Problem Solving on HackerRank platform
- Four star rating in Python Programming
